## Technical data

### Notes

|         |                         |
|---------|-------------------------|
| General | Can be labeled with CMS |
| General | Can be labeled with CMS |

### Product properties

|              |                  |
|--------------|------------------|
| Product type | Terminal marking |
| Pitch        | 17 mm            |
| Type         | high             |

### Marking

|                                     |    |
|-------------------------------------|----|
| Number of individual labels         | 5  |
| Number of individual labels per row | 5  |
| Number of marker strips             | 10 |

### Dimensions

|        |         |
|--------|---------|
| Width  | 17 mm   |
| Length | 10.5 mm |
| Pitch  | 17 mm   |

### Material specifications

|                                        |                                |
|----------------------------------------|--------------------------------|
| Color                                  | white                          |
| Material                               | PA                             |
|                                        | PA                             |
| Flammability rating according to UL 94 | V2                             |
| Components                             | free from silicone and halogen |

### Environmental and real-life conditions

#### UV resistance

|               |                                |
|---------------|--------------------------------|
| Specification | ISO 4892-2:2013-03 (following) |
|---------------|--------------------------------|

#### Ambient conditions

|                                                     |                   |
|-----------------------------------------------------|-------------------|
| Ambient temperature (operation)                     | -40 °C ... 100 °C |
| Recommended ambient temperature (storage/transport) | 23 °C             |
| Recommended humidity (storage/transport)            | 50 %              |

### Standards and regulations

|                 |                             |
|-----------------|-----------------------------|
| Wipe resistance | DIN EN 61010-1 (VDE 0411-1) |
|                 | DIN EN 61010-1 (VDE 0411-1) |
|                 | DIN VDE 0611                |
|                 | DIN VDE 0611                |
