

### 100-C IEC Contactors

#### 100-C12KF10

*Representative Rendering, Not The Actual Product*

100-C IEC Contactor, 230V 50/60Hz, Screw Terminals, Line Side, 12A, 1 N.O. 0 N.C. Auxiliary Contact Configuration, Single Pack

### Product Details

<b>CONTACTOR DATA</b>	
Terminal Type	Screw Terminals
Rated Operating Current, AC-3	12A
Coil Voltage	230V 50/60Hz
No. of Poles	3 Poles
Coil Termination	Line Side
Contact Configuration	1 N.O. 0 N.C. Auxiliary Contact Configuration
Package Quantity	1
<b>APPLICATION DATA</b>	
Electrical Standards	UL
<b>LOAD DATA [OPTIONAL]</b>	
Utilization Category	AC-3 Squirrel-cage motor starting and stopping
Load FLA (Nameplate Value)	0 A
NEC FLA	0 A
Minimum Required FLA	0 A
<b>LIFE DATA [OPTIONAL]</b>	
Minimum Required Life	0 Mil. Oper.
Actual Life	Actual Life Cannot be Calculated (more information)...
<b>TERMINAL MARKING POSITIONS USED</b>	
100-C or 104-C Contactor	1_
Front Mounted Auxiliary Contact	None
Left Side Auxiliary Contact	None
Right Side Auxiliary Contact	None
Interlock	None

## Replacement Parts

<b>Product Type</b>	<b>Spare Part</b>
Catalog Number	TA-851
Description	Coil,230V 50/60HZ For Contactor
Quantity	1
