

100-C IEC Contactors

[100-C37EJ00](#)

100-C IEC Contactor, 24V DC Electronic Coil, Screw Terminals, Line Side, 37A, 0 N.O. 0 N.C. Auxiliary Contact Configuration, Single Pack

Product Details

|                                 |                                                        |
|---------------------------------|--------------------------------------------------------|
| CONTACTOR DATA                  |                                                        |
| Terminal Type                   | Screw Terminals                                        |
| Rated Operating Current, AC-3   | 37A                                                    |
| Coil Voltage                    | 24V DC Electronic Coil                                 |
| No. of Poles                    | 3 Poles                                                |
| Coil Termination                | Line Side                                              |
| Contact Configuration           | 0 N.O. 0 N.C. Auxiliary Contact Configuration          |
| Package Quantity                | 1                                                      |
| APPLICATION DATA                |                                                        |
| Electrical Standards            | UL                                                     |
| LOAD DATA [OPTIONAL]            |                                                        |
| Utilization Category            | AC-3 Squirrel-cage motor starting and stopping         |
| Load FLA (Nameplate Value)      | 0 A                                                    |
| NEC FLA                         | 0 A                                                    |
| Minimum Required FLA            | 0 A                                                    |
| LIFE DATA [OPTIONAL]            |                                                        |
| Minimum Required Life           | 0 Mil. Oper.                                           |
| Actual Life                     | Actual Life Cannot be Calculated (more information)... |
| TERMINAL MARKING POSITIONS USED |                                                        |
| 100-C or 104-C Contactor        | None                                                   |
| Front Mounted Auxiliary Contact | None                                                   |
| Left Side Auxiliary Contact     | None                                                   |
| Right Side Auxiliary Contact    | None                                                   |
| Interlock                       | None                                                   |
