## Technical data

### Product properties

|              |                         |
|--------------|-------------------------|
| Product type | Labeled terminal marker |
| Pitch        | 10.2 mm                 |
| Type         | high                    |

### Marking

|          |    |
|----------|----|
| Printing | 33 |
|----------|----|

### Material specifications

|                                        |                                |
|----------------------------------------|--------------------------------|
| Color                                  | white                          |
| Material                               | PA                             |
| Flammability rating according to UL 94 | V2                             |
| Components                             | free from silicone and halogen |

### Dimensions

|       |         |
|-------|---------|
| Pitch | 10.2 mm |
|-------|---------|

### Standards and regulations

|                 |                             |
|-----------------|-----------------------------|
| Wipe resistance | DIN EN 61010-1 (VDE 0411-1) |
|-----------------|-----------------------------|
