ESD electronic diagonal cutter, round head, without chamfer, with opening spring, non-reflective coating and phosphate-treated, 2-component grip, cutting capacity: soft 0.2 - 2.0 mm; medium hard 1 mm diameter

## Product description

Note:  
Due to the current challenges of the global procurement market, Phoenix Contact has unfortunately been forced to accept a different ESD-compliant material. In future, the tools will be supplied with plastic handles in black/turquoise. This does not affect the function or quality of the ESD pliers.

## Your advantages

- Ergonomically designed two-component handles for fatigue-proof and non-slip use
- Opening spring for uniform, smooth opening
- The special conductive plastic handles ensure slow and safe removal of electrostatic energy according to standards and directives such as DIN EN 61340-5
- Made from special high-grade tool steel
- Screwed precision joint for permanent stability and optimum results
- Mirror-polished and phosphate-treated metal surfaces for optimum rust protection and no glare when working

## Commercial data

Item number	1212480
Packing unit	1 pc
Minimum order quantity	1 pc
Product key	BH3152
Catalog page	Page 403 (C-3-2019)
GTIN	4046356527125
Weight per piece (including packing)	92.4 g
Weight per piece (excluding packing)	75.5 g
Customs tariff number	82032000
Country of origin	DE

## Technical data

### Notes

#### Environmental Product Compliance

California Proposition 65

Further information on California's prop. 65 is available under "Downloads" in the manufacturer's declaration

### Product properties

Product type

Electronics pliers

### Electrical properties

Fuse

DIN EN 61340-5-1/VDE 0300-5-1, DIN EN 61340-2-3/VDE 0300-2-3

### Dimensions

Length

110 mm

### Material specifications

Color

multicolored

Material

Steel

Coating

phosphatized
