

140MP Motor Protection Circuit Breaker / Manual Motor Starter

[140MP-A3E-C10](#)

*Representative Rendering, Not The Actual Product*

140MP Motor Protection Circuit Breaker / Manual Motor Starter, Frame Size A, 3 kA, Adjustable Thermal/Fixed Magnetic MPCB, 6.3 - 10.0A

Product Details

| SYSTEM VOLTAGE DATA                    |                                                         |
|----------------------------------------|---------------------------------------------------------|
| Supply Voltage                         | 690V 50Hz                                               |
| STARTER DATA                           |                                                         |
| Circuit Breaker Type                   | Motor Protection Circuit Breaker / Manual Motor Starter |
| Adj. Thermal Current Range (A)         | 6.3 - 10.0                                              |
| Interrupt Rating/Breaking Capacity[kA] | 3 kA                                                    |
| Function                               | Adjustable Thermal/Fixed Magnetic MPCB                  |
| Application                            | Standard Magnetic Trip (Fixed at 15 x Ie)               |
