Please be informed that the data shown in this PDF document is generated from our online catalog. Please find the complete data in the user documentation. Our general terms of use for downloads are valid.

Contact carrier, Power, 5-position, Socket, straight, M12, coding: L, PCB mounting, THR solder connection

## Your advantages

- · For compact devices: transmit high power in a confined space
- · Reduced mounting costs thanks to two-piece device connector
- · Packaging available for automated pick and place assembly
- · All common pin assignments and codings available
- · Easy device integration, thanks to mechanical port screw connections with threaded fastening
- · Additional gasket for the device when not plugged in

## Commercial data

| Item number                          | 1421315       |
|--------------------------------------|---------------|
| Packing unit                         | 60 pc         |
| Minimum order quantity               | 60 pc         |
| Sales key                            | AB23          |
| Product key                          | ABQAGK        |
| GTIN                                 | 4055626280646 |
| Weight per piece (including packing) | 5.123 g       |
| Weight per piece (excluding packing) | 5.123 g       |
| Customs tariff number                | 85366990      |
| Country of origin                    | DE            |

## Technical data

## Notes

| Notes on operation | The electrical and mechanical data specified assume that the connector pair is correctly locked and mounted. If the connector is unlocked and if there is a danger of contamination, the connector must be sealed using a protective cap > IP54. Influences arising from litz wires, cables or PCB assembly must also be taken into consideration. |
|--------------------|--|
| Notes on operation | FE not connected to metal parts that can be touched, no protective function  |

## **Product properties**
