## Technical data

### Notes

|         |                                                                                                     |
|---------|-----------------------------------------------------------------------------------------------------|
| General | for HC-M-02, HC-M-03, HC-M-03/04, HC-M-04, HC-Q02, HC-Q03, HC-Q04, and HC-COM-Q4/2 contact carriers |
|---------|-----------------------------------------------------------------------------------------------------|

### Mounting

|               |                                                                    |
|---------------|--------------------------------------------------------------------|
| Assembly note | The quality of a crimp connection is determined by DIN EN 60352-2. |
|---------------|--------------------------------------------------------------------|

### Product properties

|                       |                         |
|-----------------------|-------------------------|
| Product type          | Crimp contact           |
| Series                | HC-M-03                 |
|                       | HC-M-03/04              |
|                       | HC-M-04                 |
|                       | HC-K                    |
|                       | HC-M-02                 |
|                       | HC-HS                   |
|                       | HC-COM                  |
| Type                  | Individual male contact |
| Contact material type | turned                  |

### Connection data

|                                         |                                             |
|-----------------------------------------|---------------------------------------------|
| Connection method                       | Crimp connection                            |
| Contact connection type                 | Pin                                         |
| Connection technology                   | Crimp connection                            |
| Conductor cross section                 | 1.5 mm <sup>2</sup> ... 1.5 mm <sup>2</sup> |
| Connection cross section AWG            | 16                                          |
| Stripping length of the individual wire | 9 mm                                        |
| Conductor cross section flexible        | 1.5 mm <sup>2</sup> ... 1.5 mm <sup>2</sup> |

### Material specifications

|                          |               |
|--------------------------|---------------|
| Contact material         | Copper alloy  |
| Contact surface material | silver-plated |

### Dimensions

|                            |      |
|----------------------------|------|
| Mechanical characteristics |      |
| Contact diameter           | 4 mm |

### Mechanical properties

|                             |       |
|-----------------------------|-------|
| Mechanical data             |       |
| Insertion/withdrawal cycles | ≥ 500 |
