## Technical data

### Product properties

|                              |                              |
|------------------------------|------------------------------|
| Product type                 | Component housing lower part |
| Housing type                 | Press-drawn section housings |
| Housing series               | UM                           |
| Product family               | UM BE                        |
| Type                         | Plug-in module base element  |
| Ventilation openings present | no                           |

### Dimensions

|       |        |
|-------|--------|
| Width | 35 mm  |
| Depth | 111 mm |

### Material specifications

|                         |                  |
|-------------------------|------------------|
| Color (Housing)         | green (RAL 6021) |
| Housing material        | Polyamide        |
| Surface characteristics | untreated        |

### Environmental and real-life conditions

#### Ambient conditions

|                                         |                                                    |
|-----------------------------------------|----------------------------------------------------|
| Ambient temperature (operation)         | -40 °C ... 105 °C (depending on power dissipation) |
| Ambient temperature (storage/transport) | -40 °C ... 55 °C                                   |
| Ambient temperature (assembly)          | -5 °C ... 100 °C                                   |
| Relative humidity (storage/transport)   | 80 %                                               |

### Mounting

|               |                   |
|---------------|-------------------|
| Mounting type | DIN rail mounting |
|---------------|-------------------|
