SIEMENS

Data sheet 3NA7244

LV HRC fuse element, NH2, In: 250 A, gG, Un AC: 500 V, Un DC: 440 V, Combined indicator, live grip lugs

product brand name product designation LV HRC fuse link design of the product design of an identification indicator design of the switching contact design of the fuse link LV HRC fuse link Combination alarms Non-corroding, silver-plated design of the fuse link LV HRC fuse link General technical data size of fuse system according to EN 60269-1 operating class of the fuse link gG mounting type non-insulated grip lugs	3	
product designation design of the product design of an identification indicator design of the switching contact design of the fuse link Non-corroding, silver-plated design of the fuse link LV HRC fuse link Ceneral technical data size of fuse system according to EN 60269-1 operating class of the fuse link gG mounting type LV HRC fuse link product design of the product Non-corroding, silver-plated Non-corroding, silver-plated Non-corroding, silver-plated Non-corroding, silver-plated Non-corroding, silver-plated product design of the switching alarms Non-corroding, silver-plated Non-corroding, silver-plated product design of the switching alarms Non-corroding, silver-plated Non-corroding, silver-plated product design of the switching alarms Non-corroding, silver-plated product design of the switching alarms non-insulated grip lugs	3	
design of the product design of an identification indicator design of the switching contact design of the fuse link Combination alarms Non-corroding, silver-plated LV HRC fuse link General technical data size of fuse system according to EN 60269-1 operating class of the fuse link gG mounting type NH2	1	
design of an identification indicator design of the switching contact design of the fuse link Ceneral technical data size of fuse system according to EN 60269-1 operating class of the fuse link gG mounting type Combination alarms Non-corroding, silver-plated LV HRC fuse link NH2 gG non-insulated grip lugs	3	
design of the switching contact design of the fuse link LV HRC fuse link General technical data size of fuse system according to EN 60269-1 operating class of the fuse link gG mounting type NH2 non-insulated grip lugs	1	
design of the fuse link General technical data size of fuse system according to EN 60269-1 operating class of the fuse link mounting type NH2 gG non-insulated grip lugs	1	
Size of fuse system according to EN 60269-1 operating class of the fuse link mounting type NH2 gG non-insulated grip lugs		
size of fuse system according to EN 60269-1 operating class of the fuse link mounting type NH2 gG non-insulated grip lugs		
operating class of the fuse link gG mounting type non-insulated grip lugs		
mounting type non-insulated grip lugs		
type of voltage of the operating voltage AC/DC		
supply voltage		
• at AC rated value 500 V		
• at DC 440 V		
Protection class		
protection class IP IP20, with connected condu	uctors	
Switching capacity		
switching capacity current		
• at DC according to IEC 60947-2 rated value 25 kA		
• according to IEC 60947-2 rated value 120 kA		
Dissipation		
power loss [W] 17 W		
power loss [W] for rated value of the current at AC in hot operating state per pole		
Mechanical Design		
width of the enclosure 47.2 mm		
mounting position Any, preferably vertical	Any, preferably vertical	
net weight 463 g	463 g	
Environmental conditions		
ambient temperature during operation		
• minimum -5 °C	-5 °C	
• maximum 40 °C	40 °C	
environmental category -20 to +50 at 95% relative h	-20 to +50 at 95% relative humidity	
environmental category during storage 90% at 20°C	90% at 20°C	
Certificates		
reference code according to IEC 81346-2 FC		
General Product Approval

Further information

Siemens has decided to exit the Russian market (see here).

https://press.siemens.com/global/en/pressrelease/siemens-wind-down-russian-business

Siemens is working on the renewal of the current EAC certificates.

Please contact your local Siemens office on the status of validity of the EAC certification if you intend to import or offer to supply these products to an EAC relevant market (other than the sanctioned EAEU member states Russia or Belarus).
