

SETRON, cylindrical fuse link, 14x51 mm, 4 A, gG, Un AC: 690 V

| Model                                   |                          |
|-----------------------------------------|--------------------------|
| Product brand name                      | SETRON                   |
| Product designation                     | Cylindrical fuse link    |
| General technical data                  |                          |
| Operating class of the fuse link        | gG                       |
| Size of the fuse link                   | 14x51 mm                 |
| Type of voltage                         | AC                       |
| Operating current / at AC / rated value | 4 A                      |
| Operating voltage / rated value         | 690 V                    |
| Main circuit                            |                          |
| Operating current                       | 4 A                      |
| • Rated value                           |                          |
| Product details                         |                          |
| Product component / striker             | No                       |
| Mechanical Design                       |                          |
| Mounting position                       | Any, preferably vertical |
| Net weight                              | 21 g                     |

## Certificates

### Reference code

- |                          |   |
|--------------------------|---|
| • acc. to DIN EN 61346-2 | F |
| • acc. to DIN EN 81346-2 | F |
