

SETRON, cylindrical fuse holder, 14x51 mm, 2-pole, In: 50 A, Un AC: 690 V, LED signal detector

| Model                                   |                           |       |
|-----------------------------------------|---------------------------|-------|
| product brand name                      | SETRON                    |       |
| product designation                     | Cylindrical fuse holder   |       |
| design of the product                   | LED signal detector       |       |
| General technical data                  |                           |       |
| number of poles                         | 2                         |       |
| size of fuse link                       | 14 x 51 mm                |       |
| Supply voltage                          |                           |       |
| operating voltage                       | 690 V                     |       |
| • at AC rated value                     |                           |       |
| protection class IP                     | IP20                      |       |
| Current                                 |                           |       |
| operational current at AC rated value   | 50 A                      |       |
| Mechanical Design                       |                           |       |
| height                                  | 90 mm                     |       |
| width                                   | 54 mm                     |       |
| depth                                   | 70 mm                     |       |
| net weight                              | 234 g                     |       |
| Certificates                            |                           |       |
| reference code according to IEC 81346-2 | F                         |       |
| General Product Approval                | Declaration of Conformity | other |
