

AS-Interface function module LOGO! standard slave IP20 4 DI/4 DQ Can be used for device series LOGO! 6 and LOGO! 7

| General technical data                             |     |                                          |
|----------------------------------------------------|-----|------------------------------------------|
| design of the product                              | V   | AS-Interface connection for LOGO!        |
| Type                                               |     | 4 inputs (virtual) / 4 outputs (virtual) |
| design of the slave type                           |     | standard slave                           |
| Supply voltage DC                                  |     | 24                                       |
| Status display display of AS-Interface/diagnostics |     | green/red dual LED                       |
| Inputs                                             |     |                                          |
| number of digital inputs                           |     | 4                                        |
| Outputs                                            |     |                                          |
| number of digital outputs                          |     | 4                                        |
| Ambient conditions                                 |     |                                          |
| ambient temperature during operation               | °C  | 0 ... 55                                 |
| protection class IP                                |     | IP20                                     |
| Mechanical data                                    |     |                                          |
| width                                              | mm  | 36                                       |
| height                                             | mm  | 90                                       |
| depth                                              | mm  | 58                                       |
| fastening method                                   |     | on standard rail                         |
| Certificates/ approvals                            |     |                                          |
| General Product Approval                           | EMC | Declaration of Conformity                |
