

3-pole wire electrode for level monitoring 500 mm long with Teflon insulation

|                       |                                     |
|-----------------------|-------------------------------------|
| product brand name    | SIRIUS                              |
| product designation   | Three-pole wire electrode           |
| design of the product | 500 mm long, with Teflon insulation |

### General technical data

|                                         |                            |
|-----------------------------------------|----------------------------|
| product function                        | Probe for level monitoring |
| reference code according to IEC 81346-2 | K                          |
| Substance Prohibitance (Date)           | 05/01/2012                 |

### Certificates/ approvals

|                          |                           |       |
|--------------------------|---------------------------|-------|
| General Product Approval | Declaration of Conformity | other |
|--------------------------|---------------------------|-------|
