

PRODUCT-DETAILS

# UPS PowerValue 11RT G2 1.5kVA B UL

## UPS PowerValue 11RT G2 1.5kVA B UL

| General Information   |                                     |
|-----------------------|-------------------------------------|
| Extended Product Type | UPS PowerValue 11RT G2 1.5kVA B UL  |
| Product ID            | 4NWP100200R0012                     |
| EAN                   | 7640169263002                       |
| Catalog Description   | UPS PowerValue 11RT G2 1.5kVA B UL  |
| Long Description      | UPS PowerValue 11RT G2 1.5 kVA B UL |

| Material Compliance                         |                 |

Ordering

|                        |            |
|------------------------|------------|
| Minimum Order Quantity | 1 piece    |
| Customs Tariff Number  | 85044000   |
| Country of Origin      | China (CN) |

Dimensions

|                            |         |
|----------------------------|---------|
| Product Net Width          | 438 mm  |
| Product Net Height         | 88 mm   |
| Product Net Depth / Length | 510 mm  |
| Product Net Weight         | 22.3 kg |

Container Information

|                                |               |
|--------------------------------|---------------|
| Package Level 1 Units          | 1 piece       |
| Package Level 1 Width          | 565 mm        |
| Package Level 1 Height         | 200 mm        |
| Package Level 1 Depth / Length | 700 mm        |
| Package Level 1 Gross Weight   | 25.1 kg       |
| Package Level 1 EAN            | 7640169263002 |

Technical

|                              |                                                                                |
|------------------------------|--------------------------------------------------------------------------------|
| Apparent Power Output        | 1500 V-A                                                                       |
| Battery Chemical Composition | Lead-Acid                                                                      |
| Battery Type                 | Portable                                                                       |
| Communication Interface      | USB<br>RS-232                                                                  |
| Connection Type              | Fixed Connection                                                               |
| Input Voltage Type           | AC                                                                             |
| Number of Batteries          | 8                                                                              |
| Options Provided             | Auto shut down function<br>Potential free switch contact<br>Network-management |
| Rated Output Power           | 1500 W                                                                         |
| Suitable For                 | PowerValue                                                                     |

Certificates and Declarations

|                                 |                         |
|---------------------------------|-------------------------|
| Declaration of Conformity - CCC | No certification needed |
|---------------------------------|-------------------------|

Classifications

|               |                                                             |
