|                                                    |                                               |
|----------------------------------------------------|-----------------------------------------------|
| product name                                       | PM240 IP20 FSA U 400V 1,1kW                   |
| Design                                             | A                                             |
| Back supply / [nicht versorgt - möglich]           | No                                            |
| rated output / kilowatt (kW)                       | 1.1 kW                                        |
| rated output / in Horse Power (HP)                 | 1.5 hp                                        |
| Input voltage / minimum                            | 380 V                                         |
| Input voltage / maximum                            | 480 V                                         |
| Line frequency                                     | 50 Hz                                         |
| efficiency eta                                     | 95                                            |
| Rated Input Current                                | 3.9 A                                         |
| Output current / for constant torque / rated value | 3.1 A                                         |
| Phase number / of the outputs                      | 3                                             |
| Electrical output frequency / maximum              | 650 Hz                                        |
| type / [nicht versorgt - der Überlastbarkeit]      | 150% for 57s with 300s, 200% for 3s with 300s |
| Protection class IP                                | IP 20                                         |
| Depth                                              | 0.145 m                                       |
| Height                                             | 0.173 m                                       |
| Width                                              | 0.073 m                                       |
| weight                                             | 1.1 kg                                        |
| Type of cooling                                    | fan                                           |
| cooling method / [nicht versorgt - Kühlkörper]     | Aluminium                                     |
| <b>letzte Änderung:</b>                            | Oct 25, 2010                                  |
