Technical Specifications	Number of outputs, delayed, change-over contact	4
Electrical	Voltage type for actuating	AC
Mechanical	Rated control supply voltage at AC 50 Hz	24 V
Drawings	Rated control supply voltage at AC 60 Hz	24 V
Documents	Type of electric connection	Plug-in connection
Certifications	Power consumption	Relay ON: 1.5VA (1.1 W) @ 24V AC @ 60Hz
Accessories	Operating voltage	85...110% of rated supply voltage
Alternative Products	Electrical life cycle	200000 minimum ops (3A @ 250V AC, resistive load at 1800 ops/hr)
