Technical Specifications	Number of outputs, delayed, change-over contact	2
Electrical	Voltage type for actuating	AC/DC
Mechanical	Rated control supply voltage at AC 50 Hz	120 V
Environmental	Rated control supply voltage at AC 60 Hz	120 V
Construction	Rated control supply voltage at DC	120 V
Drawings	Type of electric connection	Plug-in connection
Documents	Power consumption	4 ±10%VA @ 120V AC
Accessories	Electrical life cycle	100000 minimum
Alternative Products	Function delay on de-energization	True
