Technical Specifications	Nominal current	10 A
Electrical	Complete with socket	False
Mechanical	With LED indication	True
Construction	Voltage type for actuating	AC
Environmental	Rated control supply voltage at AC 50 Hz	240 V
Documents	Rated control supply voltage at AC 60 Hz	240 V
Certifications	Type of electric connection	Plug-in connection
Accessories	Power consumption	4VA ±10%
Alternative Products	Electrical life cycle	100000 minimum
