**Lifecycle status:** Active

#### Technical Specifications

Electrical	Nominal current	10 A
Mechanical	Complete with socket	False
Construction	With LED indication	True
Environmental	Voltage type for actuating	AC
Documents	Rated control supply voltage at AC 50 Hz	240 V
Accessories	Rated control supply voltage at AC 60 Hz	240 V
Alternative Products	Type of electric connection	Plug-in connection
	Power consumption	4VA ±10%
	Electrical life cycle	100000 minimum
