**Lifecycle status:** Active

#### Technical Specifications

Number of outputs, delayed, change-over contact

2

#### Electrical

Voltage type for actuating

AC/DC

#### Mechanical

Rated control supply voltage at AC 50 Hz

120 V

LOADING

#### Environmental

Rated control supply voltage at AC 60 Hz

120 V

#### Construction

Rated control supply voltage at DC

120 V

#### Drawings

Type of electric connection

Plug-in connection

#### Documents

Power consumption

4VA ±10% @ 120V AC

#### Certifications

Electrical life cycle

100000 minimum

#### Accessories

#### Alternative Products

#### Technotes
