Technical

Specifications

Number of outputs, delayed, change-over contact 2

General

Voltage type for actuating AC

Electrical

Rated control supply voltage at AC 50 Hz 240 V

Mechanical

Rated control supply voltage at AC 60 Hz 240 V

Environmental

Type of electric connection Plug-in connection

Construction

Power consumption 4 ±10%VA @ 240V AC

Documents

Electrical life cycle 100000 minimum

Accessories

Function flashing, starting with pulse, fixed time False
