Lifecycle status: Active

Technical Specifications	Number of outputs, delayed, change-over contact	2
Electrical	Voltage type for actuating	AC
Mechanical	Rated control supply voltage at AC 50 Hz	240 V
Environmental	Rated control supply voltage at AC 60 Hz	240 V
Construction	Type of electric connection	Plug-in connection
Documents	Power consumption	4 ±10%VA @ 240V AC
Accessories	Electrical life cycle	100000 minimum
Alternative Products	Function flashing, starting with pulse, fixed time	False
