

## 843ES CIP Safety Encoders

[843ES-MIP10BA6](#)

*Representative Rendering, Not The Actual Product*

843ES CIP Safety Encoders, Multi-turn (4096 turns), Hollow shaft 1/2 in, M12 Connector, 32,768 (15 bit) safety and 262,144 (18 bit) standard steps per revolution, 63 mm diameter flange with stator coupling

### Product Details

CIP SAFETY ENCODERS SELECTION DATA	
Number of Turns	Multi-turn (4096 turns)
Mechanical Interface	Hollow shaft 1/2 in
Connector	M12 Connector
Resolution	32,768 (15 bit) safety and 262,144 (18 bit) standard steps per revolution
Flange	63 mm diameter flange with stator coupling
ACCESSORIES	
Power Media	DC Micro (M12) 4-pin Straight Female, Shielded, 22 AWG, 2m
