

871A and 889, Terminal Chambers and Insulation Displacement Connectors

[871A-TS8-D1](#)

*Representative Rendering, Not The Actual Product*

Terminal Chamber, DC Micro (M12), Straight Female, 8-Pin, 6-8mm (0.24-0.32 In)

Product Details

| PRODUCT TYPE            |                      |
|-------------------------|----------------------|
| Product Type            | Terminal Chamber     |
| CONNECTOR DATA          |                      |
| Connector Type          | DC Micro (M12)       |
| Connector Style         | Straight Female      |
| Number of Pins          | 8-Pin                |
| Cable Diameter          | 6-8mm (0.24-0.32 In) |
| Shielding               | No Shielding         |
| NOTES                   |                      |
| Pin Layout (Female End) | Pinout:              |
| Additional Info         |                      |
| Voltage Rating          | 60V                  |
