

# Product data sheet

## Characteristics

# 9050JCK32V20

Plug In Timer, interval, 0.3 to 30 seconds, 120 VAC 110 VDC

Product availability: Stock - Normally stocked in distribution facility

## Main

|                |                      |
|----------------|----------------------|
| Product range  | 9050JCK              |
| Product type   | Timer                |
| Timing mode    | Interval             |
| Timing range   | 0.3...30 s           |
| Supply voltage | 120 V AC<br>110 V DC |

## Complementary

|                           |                      |
|---------------------------|----------------------|
| Power consumption         | 2 VA                 |
| Current rating            | 10 A                 |
| Switch function           | DPDT                 |
| Contact composition       | 2 NO + 2 NC          |
| Contact material          | Silver nickel        |
| Maximum switching voltage | 240 V AC             |
| Mounting type             | Socket               |
| Number of pins            | 8                    |
| Shape of pins             | Tubular              |
| For use with              | 8501NR52<br>8501NR51 |

## Environment

|                                         |                                          |
|-----------------------------------------|------------------------------------------|
| Certifications                          | UL recognized<br>RoHS<br>CE<br>UL listed |
| Ambient temperature range - operational | -28...66 °C (-18...150 °F)               |
| Height                                  | 2.40 in (61 mm)                          |
| Width                                   | 1.69 in (43 mm)                          |
| Depth                                   | 4.09 in (104 mm)                         |

## Ordering and shipping details

|                     |                                            |
|---------------------|--------------------------------------------|
