

Siemens Low Voltage Molded Case Circuit Breakers Sentron Molded Case Circuit Breakers - Circuit Breaker Enclosures are Circuit Protection Molded Case Circuit Breakers. Sub Brand: Sentron Type: NEMA 1 Features: Features: Neutral included in enclosure; W: 7-1/2 IN; Depth: 5-1/16 IN; H: 16-23/32 IN Application: For ED2, ED4, ED6, HED4 Circuit Breakers \_Mounting: Surface

General technical data	
suitability for operation	For ED2; ED4; ED6; HED4 Circuit Breakers
Model	
product brand name	Siemens
product feature	Features: Neutral included in enclosure; Width: 7-1/2 IN; Depth: 5-1/16 IN; Height: 16-23/32 IN
special product feature	Features: Neutral included in enclosure; Width: 7-1/2 IN; Depth: 5-1/16 IN; Height: 16-23/32 IN
Mechanical Design	
design of the product	NEMA 1
