

Siemens Low Voltage Residential Circuit Breakers Miniature Thermal Mag Circuit Breakers - Duplex, Triplex, Quadplex are Circuit Protection Load Center Mains, Feeders, and Miniature Circuit Breakers. Type: MH-T, Duplex Standard: UL Listed Voltage Rating: 120 Amperage Rating: (1) 1-Pole: 20 AMP, (1) 1-Pole: 20 AMP Interrupt Rating: 10 Number Of Poles: 2

General technical data	
number of poles	2
Model	
product brand name	SIEMENS
Mechanical Design	
design of the product	MH-T, Duplex
General product approval	
standard	UL Listed
