| Device composition                | fixing elements<br>2 19" uprights  |
| Number of units 19"               | 17   |

### Complementary

|                               |   |
|-------------------------------|---|
| Material                      | Galvanised steel                                      |
| Enclosure/cubicle description | Wall-mounted enclosure                                |
| Fixing mode                   | By fixing element                                     |
| Adjustment                    | Adjustable in depth, pitch 12.5 mm, on the step slide |
| Colour                        | Grey (RAL 7035)                                       |
| Permanent permissible load    | 3 kg per unit   |
| Height                        | Nominal: 800 mm                                       |
| Width                         | Nominal: 600 mm                                       |
| Depth                         | 830 mm  |
| Thickness                     | 2 mm  |
| Net weight                    | 4.72 kg   |

### Packing Units

|                        |     |
|------------------------|-----|
| Unit Type of Package 1 | PCE |
