North American Specifications (UNSPSC)

UNSPSC	39122217 Rotary switch
IGCC	5214 Rotary switch
Brand Name	ABB
Type	Change-Over Cam Switch
Special Features	Designed for Safety. Finger-proof tunnel terminals with IP20 protection eliminate the risk of touching live parts without adding any protective covers. This ensures safe operation, protecting people and equipment. Contact design guarantees consistent opening times between moving and fixed contacts. This results in higher current performances and a longer life span.
