

## H7CC-A

Digital counter, plug-in, screw terminals, 48x48 mm, IP66, 6 count digits, multifunction: 1-stage & total present counter, SPDT 3 A relay output, 100-240 VAC supply, 12 VDC aux. supply

# Specifications

|                           |                                                     |
|---------------------------|-----------------------------------------------------|
| Type                      | Pre-set counter                                     |
| Size                      | 1/16 DIN (48 x 48 mm)                               |
| Counting functions        | 1-stage counter, 1-stage counter with total counter |
| Counting range            | -99999 - 999999                                     |
| LCD backlight             | With backlight                                      |
| Number of digits          | 6                                                   |
| Body color                | Black                                               |
| Installation type         | On-panel                                            |
| Terminal type             | Screw                                               |
| Output type               | Relay                                               |
| Relay output              | 1                                                   |
| Transistor output         | 0                                                   |
| Inputs                    | DC voltage, No-voltage                              |
| Supply voltage AC         | 100-240 V                                           |
| Speed                     | 10000 Hz                                            |
| Product Width (unpacked)  | 48 mm                                               |
| Product Height (unpacked) | 48 mm                                               |
| Product Depth (unpacked)  | 78 mm                                               |

## Accessories

**Y92A-48**

Protective cover for DIN48x48mm device, hard plastic (shallow)

**Y92A-48F1**

Protective cover for DIN 48 x 48 mm timer and counter, soft plastic

**Y92F-45**

Panel adaptor, 48 x 48 device into 67 x 67 hole
